## ARTISTIC PORTFOLIO

---

Internationally acclaimed and known from the TV painting contest Project Rembrandt.

Suzana explores a wide range of themes and phenomena, which has given rise to various series:

- **social inequality** (SAVE THE CHILDREN)
- **extraordinary inner strength** (MY OWN MYTHOLOGY)
- **the search for social identity** (ETHNO ART)
- **Biblical stories** (ANCIENT TEMPTATION)
- ... and many more.

Suzana combines realism with surrealist elements and symbolism through the use of delicate, layered painting, a technique she has mastered exceptionally well as a self-taught artist.

Since the beginning of 2020, Suzana has opened her own private school, where she teaches beginners and advanced students the oil painting techniques. However, the workshops are organised at various locations.
